COVID-19 Research Bulletin

April 6, 2021

OnBase Forms

OnBase forms are now required for all requests related to research repopulation. The easy-to-use form streamlines the application process, and is best viewed using a desktop computer with an up-to-date web browser.

Updated Research Safety Guidance

On March 15 the Division of Research and Innovation updated its safety guidance for research and related activities during COVID-19. This latest guidance is posted to the coronavirus updates page. This criteria applies to in-person research, scholarship, community service and creative activities at all SDSU, SDSURF, and field research sites.

[Review current safety guidance](#)

Assigned Time - Deadline Approaching

The deadline to apply for assigned time opportunities is Friday, April 9. Given the continuing impact the COVID-19 pandemic has had on many SDSU faculty, DRI is offering Assigned Time for Research, Scholarship, and Creative Activities opportunities.

[Learn More & Apply.](#)

Vaccine Eligibility

All SDSU and SDSU Research Foundation faculty and staff, and all current student employees, are now eligible to be vaccinated in San Diego County. For the protection of others, the standard safety criteria are also required for fully vaccinated individuals. This includes physical distancing and wearing a face mask at all times while on campus.

Ensure Testing Compliance

All student researchers must be tested for COVID-19 every other week. Research leaders must check WebPortal to ensure students have received university clearance prior to each work shift. You must be logged into your SDSU account to view the instructions. Student who have been vaccinated for COVID-19 must still receive biweekly testing and comply with safety guidelines.

Report COVID-19 Cases

If you or someone involved in your project has tested positive for COVID-19, you must ensure the university is informed.

Ask the individual to fill out SDSU's reporting form. To ensure reporting is completed and Student Health Services is aware, the research leader must also submit this form. If the individual is an SDSU Research Foundation employee, they should also complete the COVID-19 Reporting Form for SDSURF Employees. The affected employee must also immediately stop participating in research.

COVID-19 Research

Congratulations to the following faculty, who have received grants related to COVID-19!

Laura Owen, counseling and school psychology
The Kresge Foundation
"Addressing COVID-19 Melt"
\$250,000

Noe Crespo and Elisa Sobo, public health
Johns Hopkins University
"The Community's Role in an Equitable and Effective COVID-19 Vaccine Rollout"

\$276,999

Guadalupe Ayala, Susan Kiene and Kristen Wells, public health and psychology
UCLA

"Share, Trust, Organize, Partner: The COVID-19 California Alliance (STOP
COVID-19 CA)

\$320,000.
