

TOUCAN RESEARCH STUDY

What is your role? Why are you included?

- My team is doing a research study.
- You will work with your therapist as they learn new things.
- Make counseling more helpful for kids like you!

What will it be like?

- Kids feel all types of things.
- You might feel bored, nervous, or you might have fun.
- However you feel is okay!

Important things to remember

- You can say yes now and then change your mind later.
- You can always ask questions.

Do you get anything?

- You and your parent will get a \$50 gift card.
- You and your caregiver can get a gift card every time we see you.

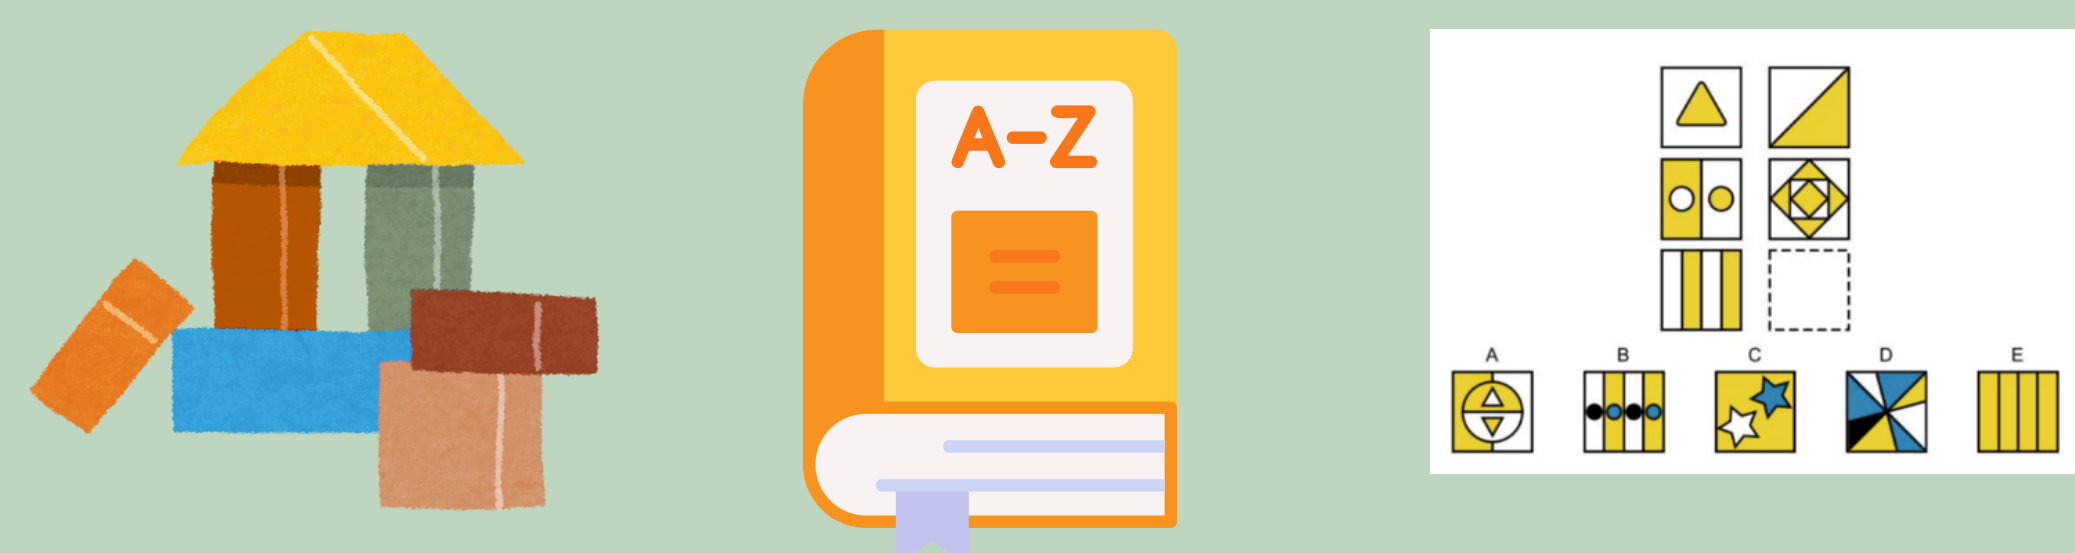

What will happen in the research study?

Today:

We can also take a break at any time!

1. Blocks 2. Vocabulary 3. Fill-in-the-blank

4. Similarities 5. Puzzle 6. Clay

7. Drawing 8. Questions 9. Tablet

After today:

You will continue going to therapy like you usually do and we will record your session once a month. We are only filming so we can see the new skills your therapist is learning - we won't be looking at you or what you are saying at all!

In 6 months:

You will see our team again for more games and talking!

Do you have any questions?

You can contact the Principal Investigator (pi@sdsu.edu or 619-594-5200) if you have any questions later!
